# STUDENTS

The solution to student loan debt is to decrease the amount in which future students have to borrow. Trophies, plaques, and medallions are great to collect based on Place Finish, but don't have financial value. When you compete in a Scholarships 4 Us, LLC Accredited Event™ you will accrue savings and have the opportunity to accumulate Prize Money based on Place Finish.

EVERYONE HAS A PURPOSE TO FULFILL.

# PARENTS

According to the Aspen Institute parents spend on average \$1,500/yr per child on after school youth sports and activities- in The Arts. This would equate to \$21,000 from age 12-18 for a household with 2 children.

Your children have a 4.5% chance of receiving any scholarship funds from America's current scholarship systems. The ONLY solution to use this source of funding more wisely is The Scholarship System 4 Us.
