SCHOLARSHIPS 4 Us®

Business Partnership Proposal

Prepared for: **SMASH Park®** Entertainment Group

2026

Introduction

My name is **Michael Duncombe**,
Founder & President of
Scholarships 4 Us®, LLC.

I first learned about **SMASH Park®**
on **April 26th, 2025** when I visited your
Roseville location in **Minnesota**.

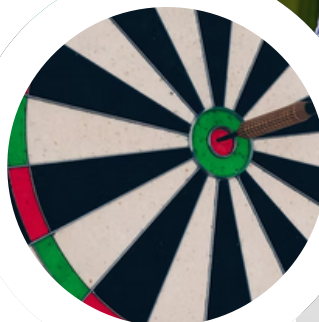

After touring the facility and learning more about the business model through your website- I am introducing the opportunity for SMASH Park® to *expand* the **'use of event space'** to generate substantial revenue by leveraging the services you provide to include offering **Scholarships 4 Us, LLC accredited events** at all of your current and future locations. This will provide you further brand recognition to scale at an exponential pace.

Subcategories of events- *in Sports*

SMASH Park® is designed to *optimize* its use of their space during hours that are not designated towards your Primary Business Model- adult entertainment. By partnering with Scholarships 4 Us, LLC and *specifically* offering national standardized **competitions** and **tournaments** in Pickleball, Cornhole, Darts, Axe Throwing, Table Soccer, and Speed Puzzle, you will be able to broaden your scope of service and increase your revenue streams while *not* becoming recognized as an arcade or children's 'play' place. The community will know SMASH Park® as an entertainment and **event center**.

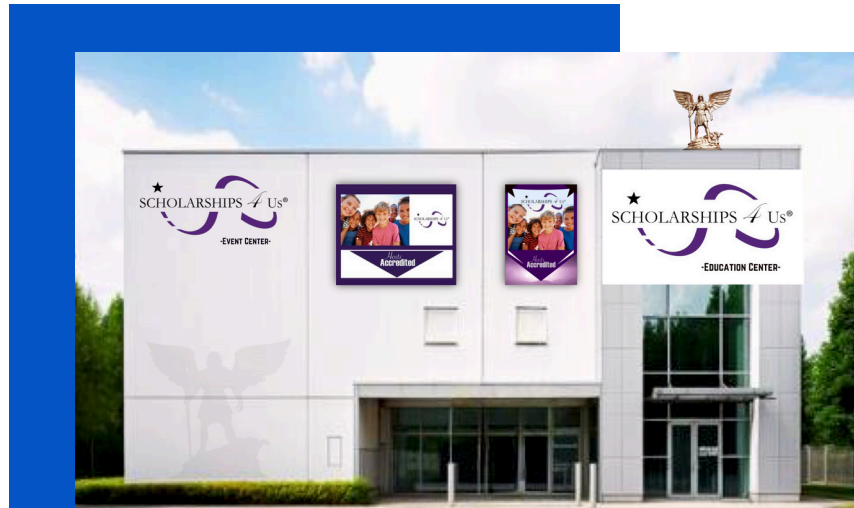

Revenue Streams

The initial objective is to work around your Primary Business Model and building layout as it relates to ordinance of serving alcohol 'during' or 'at' youth events which may not include practice or family hours. Weekend mornings are the golden standard and summers provide the peak times.

Source	Description
SMASH Park® Youth Membership	Monthly or annual that may include practice times and other incentives
Accredited Event Lineage	\$4, \$8, \$16 per Student-Participant per event
Branded Merchandise	Apparel required for participation. Water Bottles, Tumblers, etc.
Food & Beverage	Primary Business Model

When the initial objective and subcategories of events are a success the option to evolve the Pickleball space into a **multi-use venue** will prevail such as adding basketball hoops and lines for a roller rink. The future outlook would envision SMASH Park® Entertainment Group as being potential developers for Scholarships 4 Us, LLC Event Centers.
